

## Regular Monthly Meeting

The September meeting will be held at the Roost on **Thursday September 29, 2011** at 6:00PM. This month's meeting will feature our annual lobster boil for \$20 per person. "Grill your own" steaks will also be available for \$15. So we can get a good count of how much of what to bring, reservations are required. Call 610-495-5111 or 610-495-6366 by September 23<sup>rd</sup>.

An always, donations of appetizers and desserts are welcome.

## Fly-in Breakfast

Well, last Sunday was foggy and soggy. So we will give it our best shot this Sunday, September 18. Some of the folks who volunteered for last week are unable to make it this week. We can use a couple of people to help with serving, and a few more to help with airplane parking. We will have our normal pre-setup on Saturday morning around 9:00 AM for those of you who want to stop by. Let's look forward to a nice, fresh late summer day with blue skies and a great breakfast!

## Flyout

Pottstown Aircraft Owners and Pilots  
August, 2011 Flyout Notice

### Heading South—South Jersey, That Is

South Jersey Regional Airport (KVAY) is just a hop and a skip from our home field. This convenient spot houses the Air Victory Museum ([www.airvictorymuseum.com](http://www.airvictorymuseum.com)), a nice collection of mostly post-World War II aircraft, engines, uniforms, and other artifacts. Since our last visit several years ago, most of the aircraft have been

brought under cover, and restoration proceeds on many.

Our September 25 flyout takes us to South Jersey Regional for both a museum visit and brunch at the Runway Café on the field. This friendly spot overlooks the airport, and serves a full range of menu options.

Take care that you're looking at the right airport, because Flying W is just a couple of miles away. In fact, South Jersey's Runway 26 and Flying W's Runway 1 both have right-hand traffic, or their patterns would practically intersect.

We'll gather at Penn Airways at 1000 for 1030 takeoff. Bring a friend or bring a student pilot (or bring a friend who is a student pilot). Contact Dennis Galvin at 610-630-4258 if you want a ride or have an available seat in your plane. These flights can be used to give student pilots a chance to plan and follow a cross-country flight, without having to simultaneously fly the plane—a good step in their training.
